## SUMMARY

As a third-year B.Tech Computer Science Engineering student, I bring a robust background in programming and software development, with expertise in Python, C, C++, and Java. My experience includes web development, data structures, and algorithms, where I've honed my analytical and problem-solving skills. I am actively seeking an internship where I can apply my technical knowledge, collaborate with others, and contribute to innovative solutions within a dynamic team environment.

---

## PERSONAL DETAILS
